COMPLAINT

Wherefore humbly comes before this Court Jeffrey Scott Barea, Plaintiff, to allege and affirm this Complaint against David Miscavige, et al., Defendants,

- ① Plaintiff is a citizen of these United States,
- ② Plaintiff is a duly registered candidate for federal office, namely President of the United States, in the 2012 election,
- ③ Plaintiff resides at 2320 W. Prairie St. Apt. 209, Denton TX 76201,
- ④ Plaintiff's current mailing address is Jeff Scott Barea SIT 50#86972, Denton County Jail, 127 N. Woodrow

Lane, Suite 200, Denton TX 76205,

⑤ Plaintiff is not nor has ever been a member of the Church of Scientology or any of its multitude of illegally organized corporations or organizations,

⑥ Plaintiff has never had any interaction positively or negatively with the same until January 2008 when Plaintiff wrote a blog post in support of free speech regarding Gawker Media Company's publishing of a video containing Tom Cruise, an actor, resulting in actions which shall be detailed in evidence through this process and are the subject of this complaint,

⑦ David Miscarage as Chairman of the Board, ^{de facto}, of all Church of Scientology related corporations and organizations has fraudulently organized those organizations,

⑧ and previously engaged in similar actions ~~not~~ against Plaintiff as detailed in previous court filings not affiliated with Plaintiff such as "Operation Snow White" and a fraud and criminal conspiracy known as "Fair Game" in direct violation knowingly by Defendant(s) of the RICO & Racketeering Involving Corrupt Organizations Act,

⑨ that David Miscarage in his position as inviolate religious dictator holding spiritual and believed physical power over his employees, members, and affiliated vendors through such processes as having unpaid volunteers living in slave labor ~~conditions~~ conditions as a "billion year" contract did commit fraud and other criminal conspiracy planning and execution

in coordination with Tommy Davis and other subordinates to ~~use~~ use members' positions as ~~all~~ elected and other positions in local, state, and national government to deprive Plaintiff of life, liberty and the pursuit of property,

(10) that David Miscavige as he has organized his activities to operate as a de facto state agent illegally operating within the United States and already having been convicted a such by the nation of France to subvert the constitutionally guaranteed protections of the Plaintiff by such planning and coordination of his membership requiring them to violate their oaths of offices as public service.

(11) that such coordination and planning illegally and fraudulently use the financial resources of these offices, and ultimately the taxpayers of the United States + the State of Texas to commit these civil rights violations from his offices in the states of California and Florida,

(12) That the employees of the Internal Revenue Service as members of David Miscavige's ~~church~~ religious order did delete and act to disrupt the establishment and use of an Employer Identification Number for Plaintiff's duly registered candidacy organization with The Federal Election Commission,

(13) That Tom Cruise, in his position as de facto second in command, of the criminal conspiracy, has aided in the planning, managing, public relation, and execution of the fraud under Rico and helped organized a "shadow state actor" within the United States government.

(14) That the actions of all defendants coordination with the membership/employees have acted to interfere in the Equal Protection Clause, protection from Unreasonable Search & Seizure, Fraud, Theft, Attempted Murder, False Arrest, Unlawful Detainment, Kidnapping, violations of the 14th Amendment, 16th Amendment, 4th Amendment, 18th Amendment, 13th Amendment, 10th Amendment, 25th Amendment,

(15) Such actions under R.I.C.O. create a state actor of all Defendants and members, employees causing a dispute between a resident of one state against resident of another state against another state government, my own state government against the United States Government

(16) More will be added & explained in Interrogatories & Admission of fact as my fingers are tired - am in jail and deprived of a computer to type out a nice clean looking complaint, that is all.
